### REGISTRATION FEES 2011 OVERDUE!

We still a hand full of families that have not arranged payment or have spoken to me regarding a payment plan. We would love to have the club at 100% with all fees being paid. Regards, Merran

## GAME DAY VOLUNTEERS

A big Thank You to all who have volunteered on game day to date. However there are still a lot of parents yet to volunteer AT ALL. These roles MUST be filled in order for our kids to be able to play. These roles SHOULD NOT be left to the same volunteers every week, as this is NOT fair.

Our club is no different to any other club run by volunteers in order for our kids to be able to play on game days. If you are YET TO VOLUNTEER it is now your turn to do so, making it fair for ALL.

If we do not get more volunteers, the club WILL HAVE NO CHOICE but to forfeit the match. We really do not want this to happen, but we need MORE HELP. Please see your child/ren's Team Manager *before game start* to volunteer. See contact list on front page right side for Team Managers phone numbers.

Please note that there are jobs outside of one's required during games on home ground matches. These are canteen, setting up ground, BBQ, set up of stretcher and chair for Interchange Stewards & packing up at day's end.

We need more people to put up there hand if have qualifications enabling you to be a Trainer during games. This role must be filled by our club at all our home games & some away ones also. Requirements & qualifications needed allowing you to act as Trainer, in accordance with RDFL Football By-Laws are:

### **Rule 17 - Trainers/Water Carriers**

- (a) All trainers must be registered with the League and in the online competition database before they are permitted to enter the playing area during the course of a game.
- (b) All trainers must have attended an RDFL Trainers Accreditation Course or a similar course conducted by a recognised sports training group, as listed herein.
  - (i) Medical Practitioner
  - (ii) Physiotherapist
  - (iii) Sports Medicine Australia - Level 1 minimum
  - (iv) Sports First Aid
  - (v) Advanced First Aid
  - (vi) First Aid Trainer/Instructor
  - (vii) Workplace First Aid - Level 2 minimum
  - (viii) Advanced Workplace
  - (ix) First Aid - Level 2 minimum
  - (x) St John Ambulance
  - (xi) Ambulance Paramedic - Level 2
  - (xii) St John, Red Cross and Ambulance - Level 2 minimum
  - (xiii) Registered Nurse

Please see President, Laurie Pincini if you are interested in being added to our roster for Trainer in order for the club to do the necessary steps required.

The club needs your support for us to survive and to become bigger and stronger. The kids are doing a great job on the field and are really enjoying themselves; let's show our support by helping out off the field also!

**Coaches Comments:**

After 4 quarters of hard fought football by both teams, we managed to put a score on the board that was good enough to give us our first win of the season. With an excitement level equal to that of an AFL grand final side, we tuned up the vocal cords to the Burras theme song, while leaving the ground to the cheers of proud parents and spectators.

Recovering from an accident at the start of the season saw Brandon get his chance to wear the RED & BLUE and his run through the midfield with Tommy and Dton gave our forwards plenty of opportunity to have shots at goal. Giving Chris a run at full forward was a good decision as he did not disappoint kicking 3 majors and Corey, Jimmy and Darian all contributed with singles.

We continue to improve in all areas of our game as individuals and a team and we congratulate them all on such an excellent performance, well done BURRAS. Thanks to Tara, Alan, Shailee, Scott, Steve, Wayne and Peter for all your help on the day.
