Thanks to the following U10 players Caleb & Jesse for helping us out. The only way is UP from here on!

Goal Kickers: A Kraft-White **Player Awards:** A Kraft-White, J Miller, W Salangam, A Ward, J Busittil-Short, T Cheyne

Coaches Comments:

Thankfully, weather conditions were near perfect for football & our 1st game of the season. Due to player exemption clearances not being finalised, we continued to play a scratch match. Coaches agreed to 15 players a side, leaving Kilmore with a healthy bench. The team were informed of this before the start of the game and to their credit knowing the result would not count took the field and adopted a never give up style of play for the 4 quarters. Kilmore were very good all over the ground, yet our boys although behind on the scoreboard dominated play from the centre bounces. With tired legs we struggled to convert changes at those “Big Sticks” but it was fantastic to see the whole team contributing whether we were in defence or on attack. Special mention goes to Anthony & Jared for their ruck work & centre breaks, Dton and Andrew at halfback & half-forward flanks were impressive 1st gamers and Jordan showed he could be a tough opponent in the backline, laying some great tackles & bumps. It was great to see all the boys finish the game in such high spirits & leaving the field with their heads held high. Dave and I would like to congratulate them all on their efforts and I am sure should we continue to train hard & stay positive we will see the results on the scoreboard in the up and coming games. To all our helpers on the day your time and help is much appreciated. Thank You Tara, Shailee, Pete, Nathan, Jeorgia, Bronwyn & Annette.
